How many people can you help realize true health?

December 1 - December 31, 2021

Bonus amounts shown are in U.S. dollars. Actual bonus will be paid in the currency of the local country.

1. The rank on December 1, 2021 is the participating rank for the entire challenge.
2. Tokurei sales are not counted.
3. Unpaid sales are not counted. If the payment was in December, it counts toward the December sale.
4. Financed purchases count with a down payment. If the payment was in December, it counts toward December.
5. Distributors with multiple accounts are eligible to qualify for only one contest bonus. The qualifying account is the one with the most sales.
6. If multiple distributors end up in a tie, the distributor with the higher dollar will qualify in that ranking. For example, Samantha with 50 sales valued at \$150,000 would finish ahead of Jennifer with 50 sales valued at \$140,000.
